Suzanne,

I have completed my review of the hydrology portion of the AR assigned to me under Task 3051. The document is located in:

O:\007019.CEN\DRAFT\WG3051

Jim - I notice Wayne is assigned the engineering duties on this mine as well as others. Do you want me to take a stab at review for the engineering commitments, or do you prefer to reassign?

Let me know and thanks.
April
